General terms and conditions

General points

1. Any subscription contract entered with ACA NL or any renewed subscription infers full acceptance on the part of the subscriber of all present general terms and conditions. Only the specific terms or conditions of a special contract concluded between ACA NL and the subscriber may prevail over the present general conditions.

2. Any dispute regarding the validity, interpretation or execution of the contract will be referred before the appropriate court in Brussels, including summary procedures and cases involving more than one defendant. Only Belgian law is applicable.

Subscriptions, fees, payment mode and cancellation

3. The subscription period is 12 months.

4. Subscriptions always begin on the day of submission of the online subscription form.

5. Unless the subscriber submits his cancellation of the subscription in writing (emails and faxes are accepted) within 45 days upon submission of the subscription form, the subscription will be valid for a period of 12 months.

6. All subscriptions not cancelled in writing (e-mail and faxes are accepted) a month prior to their expiring will be automatically extended at the applicable rate on the renewal deadline. No refunds are available in cases of cancellation of ongoing subscriptions

7. The price of a 12-month subscription is EUR 120. Subscribers of ACA NL receive a discount of EUR 20 for the attendance of ACA European Policy Seminars and EUR 50 for the attendance of the ACA Annual Conferences.

8. The individual discounts for ACA European Policy Seminars and the ACA Annual Conferences are not transferable.

9. Unless mentioned otherwise, all our prices are indicated in Euros.

10. ACA NL invoices are payable in full and net of transaction fees, which remain charged to the subscriber. The subscriber alone is responsible for effective payment, with payment deemed to have been made only once ACA NL accounts are credited with the sum due. If a payment is delayed, the subscription can be suspended without prior notice. It will be resumed again upon receipt of the total amount.

11. The delayed payment of invoices will leave the subscriber liable without prior notice to late payment interest charges at an annual rate of 10%.
