Eurydice Network in 2019

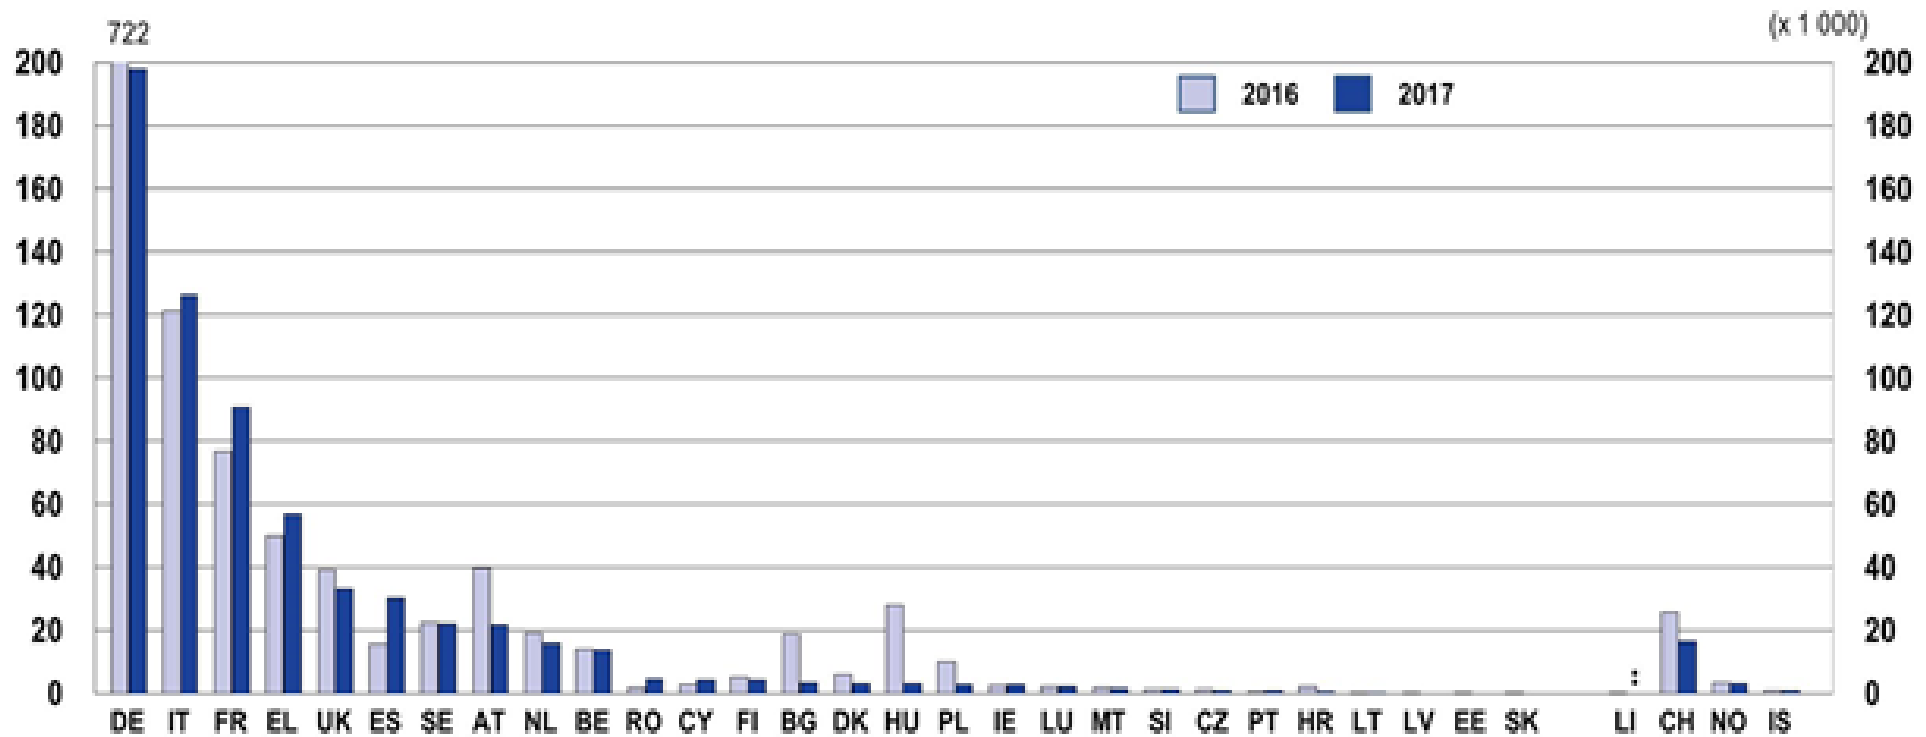

Mission: To provide those responsible for education systems and policies in Europe with European-level analyses and information which will assist them in their decision making.

Asylum applications in the EU

Number of asylum applications by country

A blue-tinted photograph of two men in a workshop or industrial setting. One man is leaning over a table, pointing at something, while the other man looks on. The background shows industrial equipment and structures.

Age profile:

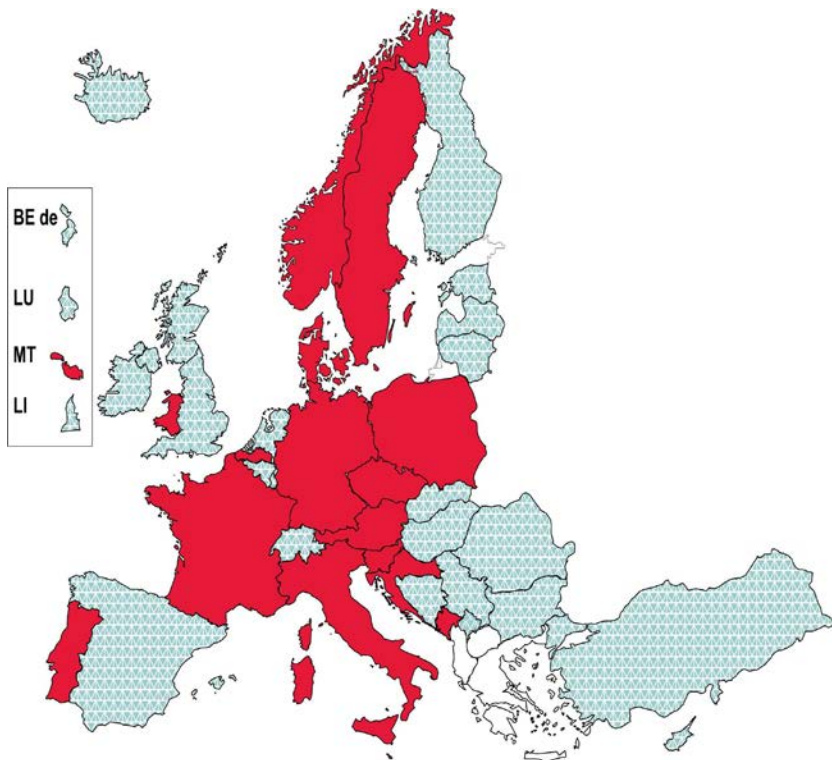

- 50% of first time asylum applicants aged between 18 - 34

Analytical Framework for assessing integration of asylum seekers and refugees into higher education

Large scale measures

Most common measures:

- Linguistic support

13

- Financial support

12

- guidance and counselling
